Duck Creek Payments Orchestrator

Unlock the Full Value of Your Payments Ecosystem

Payments are vital to insurance operations, impacting customer experience, financial performance, and risk management. Yet, for many carriers, managing the complexities of treasury, premium collection, and claims disbursement remains a fragmented, manual, and risky process.

Duck Creek Payments Orchestrator solves these challenges with a modern, cloud-native solution designed for insurers. It empowers you to manage and route payments across providers and methods, and improve efficiency, agility, and customer-centric innovation.

Provide a Flawless Experience that Powers Growth

Unlike fragmented solutions that merely scratch the surface, our solution manages money movement from a single platform – seamlessly integrated with the Duck Creek Suite.

Key Features

About Duck Creek Technologies

Duck Creek Technologies is the intelligent solutions provider defining the future of the property and casualty (P&C) and general insurance industry. We are the platform upon which modern insurance systems are built, enabling the industry to capitalize on the power of the cloud to run agile, intelligent, and evergreen operations. Authenticity, purpose, and transparency are core to Duck Creek, and we believe insurance should be there for individuals and businesses when, where, and how they need it most. Our market-leading solutions are available on a standalone basis or as a full suite, and all are available via Duck Creek OnDemand.
